***As We Look Back Over The Year At
Banning High, We Realize That
School Is But A Part Of Our Journey
Into Life . . .***

We look back over the year and remember all the new things that have happened as well as the old. One of the new is our vice-principal, Mr. Wolf. Mr. Wolf was born in Toms River, New Jersey. He came to California in 1963 and graduated from the University of Redlands in 1966. In his spare time, he enjoys hunting, fishing, and swimming. Mr. Wolf enjoys working with the students at Banning High School and is looking forward to next year. We say "welcome," Mr. Wolf!

Broncos Go To C.I.F.

Imperial

Big Bear

LEW CHMIELEWSKI
All-County Coach

After a 14-0 shutout over previously undefeated Imperial, the Broncos took on Big Bear. Although almost equal in size, the Broncos used their skill in defeating the Bears 14-0 in the second game of the C. I. F. contest.

The win over the Bears placed the Broncos in the semi-final position and ready to take on the Boron Bobcats.

Playing their best game of the '72 season, the Broncos released a strong effort, although it was not enough to conquer the Bobcats. After a 7 game winning streak and being titled "THE BEST BRONCO FOOTBALL TEAM IN THE SCHOOL'S HISTORY," they were downed 27-34 in their final game.

This year the Banning High Varsity football team started out their season with only a handful of returning lettermen and some outstanding but less experienced players, the result being a slow start which gained momentum as the season progressed.

The first half of the season left the Broncos with a 3-1 record and a three-way tie for first place. Sharing the title were Yucca Valley and Rim of the World.

With the Broncos well into the last half of the season the standing 3-1 record was boosted to 5-1 with their victories over San Jacinto and Elsinore.

The final league game of the season resulted in a snowy 14-13 victory over Rim of the World. The Broncos 6-1 league standing awarded them the DeAnza League title and led them on into the C.I.F. playoffs with an overall seasonal record of 7 wins and 2 losses.

FRONT ROW: Curt Curtis, Glover Paige, Sam Elmore, Mike Raile, Phil Sohn, Steve Little, Ruben Harrell, Trae Steele, Scott Palmer (Manager). BACK ROW: Gary Sanders (Manager), James Hernandez, Art Jurado, Steve Quisenberry, John Williams, John Chatman, Chris Jenkins, Roy Benson, Troy Garten, Coach David Olmsted.

This year's Junior Varsity Broncos started out the season with a loss against La Sierra, but this did not get the Broncos down. They tried again during the Eagle Mt. game and were defeated.

Coach David Olmsted was getting worried, so he worked his Broncos hard in preparation for the Perris game. Still they were defeated. Even though Spirit was low, the Broncos came back with 4 straight wins. Unfortunately, in the last game of the season they were defeated by Rim of the World.

With their new coach Ray Curtis and only a few returning lettermen, this year's varsity basketball team entered the '72-'73 season.

After upsetting La Sierra and bowing to Indio in pre-league contests, the Broncos were ready to begin tournament play. Team spirits were high and the Broncos, after defeating Yucaipa and Hemet in the finals of the Beaumont Tournament, went into the 20th Annual Block "B" Tournament at Banning.

Again the mighty Broncos played into the finals, this time upsetting Perris. Before league play had started the Broncos won their 3rd and final tournament by defeating Aquinas, Barstow, and Kingman in the 29 Palms Invitational.

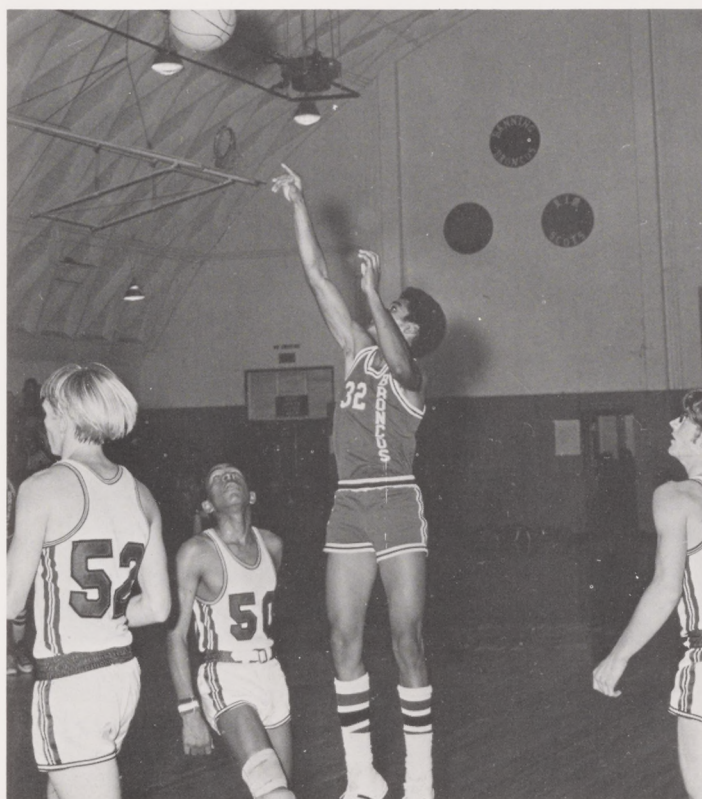

Through the first round of the De Anza League contests, the Broncos edged out all competition and stayed on top six of seven games.

Although losing to Elsinore (54-58) and dropping down to the second rank position, the mighty Broncos were determined to regain the league title and defeat Elsinore in the remaining half of the season.

In the second half of the season, the Broncos' six game winning streak again was broken as their arch competitor Elsinore ousted them 64-61 in the final game before the C.I.F. Playoffs. In the playoffs, the Broncos went as far as their first game against Brawley and were defeated 67-63.

During league play, the Broncos won twelve of fourteen games and took second behind Elsinore.

Foreign Exchange Students

From Greece

December the 5th, 1971 was the first time that I got interested in AFS and from there on I enjoyed learning about that great organization.

It was really neat to get accepted as an AFS student. Someone that hasn't been an AFS'er couldn't realize how important and great it is.

Although I applied in December, I didn't know I was coming until July 21st. This was the first time I heard the name "Banning" and I was wondering what its people looked like, but after I had come it didn't take me a long time to find out that it was a really beautiful town with the nicest people.

How nice and great a chance for an AFSer to live in Banning among all those nice and really friendly people!

All the experiences that I had in Banning and the city of Banning will remain in my mind forever and ever ...

Ada Giokatzi

From Brazil

After I have left Brazil and before I had arrived here, I had many ideas and thoughts about how my new life would be.

Banning, a city with mountains on its side, with sunshine in the summer and snow in the winter, gave me the opportunity to have always a nice view to see.

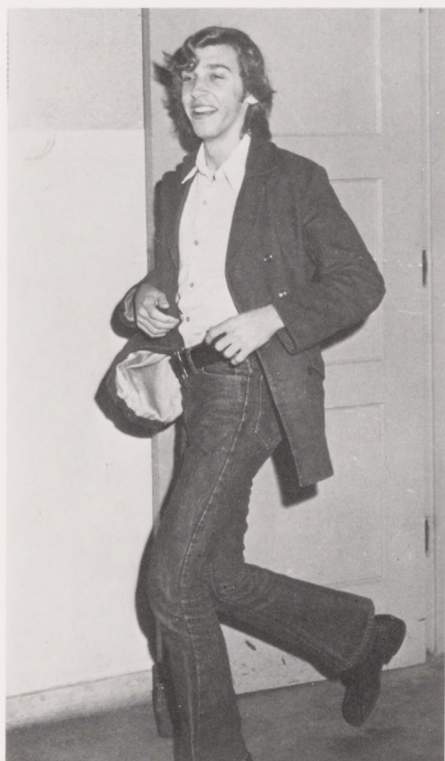

The people, nice and friendly, made me always feel happy.

My family and my friends gave me the chance to have a great experience of life.

The American Field Service gave me the opportunity to know and feel what friendship is all about and of what great value it is for the life, and I have got the chance to know myself better, too.

Now, I have got a lot to thank them for this great year I had in my life. I am sure I will not forget them.

House of Representatives

Each year, all second period classes elect two representatives to represent their class in the student body. Here, the bills are originated. They discuss and vote on these bills. If the bill passes, it goes to Student Council, and then ends up at the school board. In the past years, the House of Representatives has done an excellent job. This year's House is no exception. They worked hard for many student functions.

Stampede

The Stampede is a product of Banning High School's journalism class. The newspaper's job is to relate news happenings to the students. The Stampede Staff considers expansion of the class and of the newspaper as its ultimate goal.

This year's Queen was pretty Miss Heidi Hill. She was chosen from a group of four contestants. Her court consisted of Debbie Carner, Brenda Quinones and Debbie Wall. One of the duties of this Queen and her court was to hand out basketball trophies.

Hey man, what's happening?

"Last night I had a crazy dream!"

You want a fat lip?

"I wish he'd hurry up."

Last night was too much.

"The pain of it all"

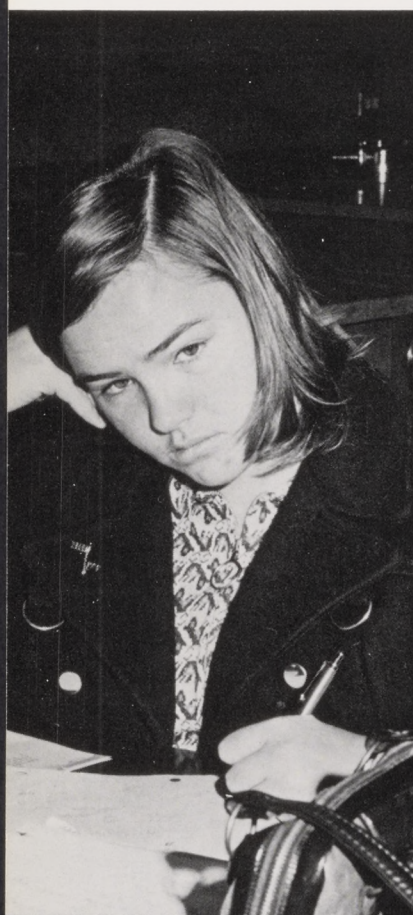

"Dear Abby . . ."

Dear Debbie . . .

I wish to thank everyone for their participation and co-operation in making the 1973 annual a success. I wish to give my sincere thanks to Mr. Lane and Mr. McCulloh for all the pictures. Most of all I'd like to thank our advisor, Kathy Colgrove, and our staff members for making this year's annual the best!

Thanks again,
Janice Jones
